HOUSTON AMERICAN ENERGY CORP.

PROXY STATEMENT

Our board of directors is soliciting your proxy for the annual meeting of stockholders to be held at the Aloft Hotel, which is located at 820 Fannin Street, Houston, Texas 77002, on Thursday, June 13, 2019 at 10:00 a.m. and at any and all adjourned sessions of the annual meeting.

We are mailing our annual report for the fiscal year ended December 31, 2018, to our stockholders with this notice and proxy statement (including the form of proxy) on or about May 1, 2019.

Record Date and Quorum Requirements

Only stockholders of record at the close of business on April 25, 2019 will be entitled to vote at the annual meeting. Our voting stock consists of issued and outstanding shares of our common stock and issued and outstanding shares of our 12.0% Series A Convertible Preferred Stock (the "Series A Preferred Stock") and 12.0% Series B Convertible Preferred Stock (the "Series B Preferred Stock" and, together with the Series A Preferred Stock, the "Preferred Stock"). The holders of Preferred Stock are entitled to vote, on an "as converted" basis on all matters submitted to a vote of stockholders.

As of the close of business on April 25, 2017, we had 62,425,140 shares of common stock issued and outstanding, each entitled to one vote, 1,085 shares of Series A Preferred Stock issued and outstanding, each entitled to 5,000 votes, or an aggregate of 5,425,000 votes, and 835 shares of Series B Preferred Stock issuance and outstanding, each entitled to 2,777 votes, or an aggregate of 2,318,795 votes. The holders of shares of common stock and Preferred Stock representing a majority of eligible votes on the record date must be present in person or by proxy to have a quorum for the transaction of business at the annual meeting. Shares of common stock and Preferred Stock represented by proxy (includes shares which abstain, withhold the vote or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists for a matter presented at the annual meeting.

Items to be Voted Upon, Voting Your Shares and Votes Required

Your vote is very important. If you do not vote your shares, you will not have an impact with respect to the issues to be voted on at this annual meeting. In addition, banks and brokers cannot vote on their clients' behalf on "non-routine" proposals.

Stockholders will be voting upon three matters as well as any other business that may properly come before the meeting. The specific items to be voted on are: (1) election of one Class A director and one Class B director, (2) ratification of the appointment of Marcum LLP as our independent registered public account firm for the 2019 fiscal year, and (3) approval, on a non-binding advisory basis, of the compensation of our named executive officers.

In order to be elected as a director, a nominee for director must receive a plurality of the votes cast at the annual meeting. Ratification of the selection of Marcum LLP as our independent registered public accounting firm and advisory approval of compensation of named executive officers will each require the affirmative vote of a majority of the votes cast.

Shares that abstain from voting on a particular proposal, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares on a particular proposal, will not be counted as votes "in favor" of such proposal, and will also not be counted as votes cast or shares voting on that proposal. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on a proposal that requires the affirmative vote of a certain percentage of the votes cast or shares voting on a proposal but will have the effect of a vote against proposals requiring the affirmative vote of all shares entitled to vote. However, abstentions are considered to be present or represented in determining whether a quorum exists on a given matter.

Submitting Your Proxy

If you complete and submit your proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote the shares represented by your proxy as follows:

- FOR the election of the director nominees;
- FOR the ratification of the selection of Marcum LLP as our registered public accounting firm; and
- FOR approval, on an advisory basis, of the compensation of our named executive officers.

To ensure that your vote is recorded promptly, please vote as soon as possible. To vote by proxy, please complete, sign and mail the proxy card in the enclosed postage-paid envelope.

Stockholders that attend the annual meeting and wish to vote in person will be given a ballot at the meeting. If your shares are held in “street name” and you want to attend the annual meeting, you must bring an account statement or letter from the brokerage firm or bank holding your shares showing that you were the beneficial owner of the shares on the record date. If you want to vote shares that are held in “street name” or are otherwise not registered in your name, you will need to obtain a “legal proxy” from the holder of record and present it at the annual meeting.

Revoking or Changing Your Proxy

You may revoke or change your proxy at any time before it is voted. For a stockholder “of record”, meaning one whose shares are registered in his or her own name, to revoke or change a proxy, the stockholder may follow one of the procedures listed below.

- submit another properly signed proxy, which bears a later date;
- deliver a written revocation to our corporate secretary; or
- attend the annual meeting or any adjourned session thereof and vote in person.

If you are a beneficial owner of our common stock, and not the stockholder of record (for example your common stock is registered in “street name” with a brokerage firm), you must follow the procedures required by the holder of record, which is usually a brokerage firm or bank, to revoke or change a proxy. You should contact the stockholder of record directly for more information on these procedures.

Other Information

We will bear the expense of soliciting proxies. Our officers and certain other employees, without additional remuneration, may solicit proxies personally or by telephone, e-mail or other means.

Our Annual Report on Form 10-K for the year ended December 31, 2018, which is not part of the proxy soliciting materials, is included with this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below shows the number of our shares of common stock beneficially owned as of April 25, 2019 by:

- each person or group known by us to beneficially own more than 5% of our outstanding common stock;
- each director and nominee for director;
- each executive officer named in the Summary Compensation Table under the heading “Executive Compensation” below; and
- all of our current directors and executive officers of the company as a group.

The number of shares beneficially owned by each 5% holder, director or executive officer is determined by the rules of the SEC, and the information does not necessarily indicate beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the person or entity has sole or shared voting power or investment power and also any shares that the person or entity can acquire within 60 days of April 25, 2019 through the exercise of any stock option or other right. For purposes of computing the percentage of outstanding shares of common stock held by each person or entity, any shares that the person or entity has the right to acquire within 60 days after April 25, 2019 are deemed to be outstanding with respect to such person or entity but are not deemed to be outstanding for the purpose of computing the percentage of ownership of any other person or entity. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) over the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares. As of April 25, 2019, there were 62,425,140 shares of common stock issued and outstanding.

PROPOSAL 1

ELECTION OF DIRECTORS

Our restated certificate of incorporation and amended and restated by-laws, each as amended to date, provide for the classification of our board into three classes, as nearly equal in number as possible. The Class A, Class B and Class C directors are currently serving until the annual meeting of stockholders that will be held in 2019, 2021 and 2020, respectively, and until their respective successors are elected and qualified. At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those whose terms are expiring. Our board has fixed the number of directors at three. There are currently two Class A directors, one Class C director and no Class B directors. In order to balance the distribution of directors among Class A, Class B and Class C, Stephen Hartzell has been re-designated from a Class A director to a Class B director and is being nominated to serve till the conclusion of the current Class B director term.

Unless otherwise instructed, the persons named as proxies will vote all proxies received **FOR** the election of the persons named as nominees below as (i) Class A director for a term of three years, until the annual meeting of stockholders to be held in 2022 and (ii) Class B director for a term of two years, until the annual meeting of stockholders to be held in 2021; and until his successor is elected and qualified.

The nominees listed below are currently serving as directors and have indicated that they are willing to continue to serve, if elected. The independent directors of the board nominated the candidate for election. If a nominee should become unavailable, the person named as proxy will vote all proxies received for a substitute nominee designated by the board, unless instructions are given to the contrary. The board has no reason to believe that any nominee will become unavailable.

In the section below, we provide the names and biographical information about the Class A and Class B nominees and each other member of the board.

There are no family relationships among any of our directors, nominee for director and executive officers.

Recommendation of the Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NOMINEES TO THE BOARD OF DIRECTORS SET FORTH IN THIS PROPOSAL 1.

In considering your vote with respect to the election of directors pursuant to Proposal 1, you should consider the discussions of “Executive Compensation” and “Corporate Governance” and the other discussions contained in this Proxy Statement.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our board, on the recommendation of the audit committee, has selected the firm of Marcum LLP (“Marcum”) as our registered public accounting firm for fiscal 2019. Marcum has served as our registered public accounting firm since 2018. Although stockholder approval of the board’s selection of Marcum is not required by law, the board believes that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the annual meeting, the board will reconsider its selection of Marcum.

Representatives of Marcum are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

On August 3, 2018, we accepted the resignation of GBH CPAs, PC (“GBH”) and engaged Marcum as our independent registered public accountants. This change occurred in connection with GBH, our prior accountants, resigning as a result of GBH combining its practice with Marcum effective July 1, 2018. The engagement of Marcum was approved by the audit committee of our board of directors.

GBH’s reports on our consolidated financial statements as of and for the fiscal year ended December 31, 2017 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal year ended December 31, 2017 and through August 3, 2018, there were no disagreements with GBH on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to GBH’s satisfaction would have caused it to make reference thereto in connection with its report on the financial statements for such years. During the fiscal year ended December 31, 2017 and through August 3, 2018, there were no “reportable events” of the type described in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal year ended December 31, 2017 and through August 3, 2018, we did not consult with Marcum with respect to any matter whatsoever including without limitation with respect to any of (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on our financial statements; or (iii) any matter that was either subject to disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or any event of the type described in Item 304(a)(1)(v) of Regulation S-K.

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF MARCUM AS OUR REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

In considering your vote with respect to the ratification of our selection of Marcum LLP as our registered public accounting firm pursuant to Proposal 2, you should consider the discussion of “Relationship with Independent Registered Public Accounting Firm” and the other discussions contained in this Proxy Statement.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on the compensation of our named executive officers.

As described in detail below under the heading "Executive Compensation," our executive compensation programs are designed to attract, retain and motivate our named executive officers who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of annual and long-term strategic and corporate goals, and the realization of increased shareholder value. Please read the "Executive Compensation" and related information in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers in 2018.

We are asking our shareholders to indicate their support for the compensation of our named executive officer as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's shareholders approve, on a non-binding, advisory basis, the compensation paid to our named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Shareholders Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure."

Although the "say-on-pay" vote is advisory, and therefore not binding on us, we value the opinions of our shareholders and we will consider the outcome of the vote when making future compensation decisions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

Employment Arrangements

James Schoonover was appointed a director of the Company in April 2018 and Interim Chief Executive Officer and President in June 2018. Mr. Schoonover presently receives cash compensation and option grants equivalent to those he was receiving as a non-employee director prior to his appointment as Interim Chief Executive Officer and President. Mr. Schoonover does not presently receive any separate compensation for service as Interim Chief Executive Officer and President.

Equity Incentive Plans

Our board of directors and shareholders have adopted the Houston American Energy Corp. 2008 Equity Incentive Plan (the “2008 Plan”) and the Houston American Energy Corp. 2017 Equity Incentive Plan (the “2017 Plan”) and, together with the 2008 Plan, the “Plans”). 6,000,000 shares and 5,000,000 shares, respectively, of common stock are reserved for issuance pursuant to grants of stock options and restricted stock under the 2008 and 2017 Plans. The 2008 Plan has expired and no new option grants may be made under that plan although options granted under the 2008 Plan remain outstanding and exercisable. The Plans are administered by our Compensation Committee and provide that key employees, consultants and directors are eligible to participate therein.

During 2018, we granted options to purchase 1,000,000 shares to John Boylan, our then Chief Executive Officer. Those options were exercisable for ten years at \$0.2922 per share, the market price on the grant date, and vested 1/3 on each of the first three anniversaries of the grant date. Mr. Boylan was terminated as our Chief Executive Officer in June 2018 and the options granted during 2018 expired unvested.

Also during 2018, we granted to James Schoonover, in his capacity as a non-employee director, options to purchase 8,333 shares at the time of his appointment as a director and options to purchase 50,000 shares upon his election as a director at the 2018 annual shareholders meeting. Those options were exercisable for ten years at \$0.267, with respect to the 8,333 option grant, and \$0.2425, with respect to the 50,000 option grant, in each case being the market price on the date of grant. All options granted to Mr. Schoonover vested 20% on the date of grant and 80% nine months from the date of grant.

Termination or Change in Control Payments

We are party to a Change in Control Agreement (the “Change in Control Agreement”) with our former President and Chief Executive Officer, John Terwilliger, who continues as an employee. Pursuant to the Change in Control Agreement, if we undergo a change in control and Mr. Terwilliger is terminated without cause or resigns for good reason within 90 days prior to or within 12 months following a change in control, Mr. Terwilliger is entitled to (i) a lump sum cash severance payment equal to 250% of his average annual cash compensation (including salary and bonuses) during the three years ending on the termination date, and (ii) acceleration of vesting of all unvested time-based stock options.

Pension Benefits

We do not maintain any retirement plans or otherwise provide any retirement benefits of any nature for our executives or employees.

Standard Director Compensation Arrangements

We compensate non-employee members of the board through a mixture of cash and equity-based compensation. Cash compensation arrangements for our non-employee directors consist of the following payments: (i) annual retainer of \$9,000; (ii) annual retainer for service on each board committee of \$3,000; (iii) annual retainer for service as chair of the audit committee of \$3,750; and (iv) annual retainer for service as chair of the compensation committee of \$2,250. Each of the annual retainers is payable in equal quarterly installments. We also reimburse expenses incurred by non-employee directors to attend board and committee meetings.

On the date of the initial appointment or election of each non-employee director, and on the date of each annual meeting thereafter, each non-employee director receives a stock option grant to purchase 50,000 shares (prorated if appointment or election is other than at an annual meeting of stockholders) of our common stock at a price equal to the fair market value of our common stock on the date of grant. Option grants to directors vest 20% on the date of grant and 80% nine months from the date of grant.

Directors who are also our employees do not receive cash or equity compensation for service on the board in addition to compensation payable for their service as employees of Houston American Energy.

CORPORATE GOVERNANCE

The Board and Board Meetings; Annual Meeting Attendance

The board consists of three directors. During the fiscal year ended December 31, 2018, the board held a total of 16 meetings (including telephonic meetings and committee meetings). Each of the incumbent directors attended at least 75% of the total number of meetings of the board, including meetings of all committees on which he served. Our corporate governance guidelines provide that directors are expected to attend the annual meeting of stockholders. All of our directors attended our 2018 annual meeting of stockholders.

Board Independence

The board has determined that each of the directors, with the exception of Mr. Schoonover, qualify as “independent” as defined by applicable NYSE American and SEC rules. In making this determination, the board has concluded that none of these members has a relationship that, in the opinion of the board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Stephen Hartzell has served as lead director since March 2007 and presides over meetings of the independent directors.

Board Committees

The board currently has, and appoints members to, two standing committees: the audit committee and the compensation committee. Each member of these committees is independent as defined by applicable NYSE American and SEC rules. The current members of the committees are identified below:

Director	Audit	Compensation
Stephen Hartzell	✓	✓ (Chair)
Keith Grimes	✓ (Chair)	✓

Audit Committee

The audit committee is composed of two independent directors, Messrs. Grimes and Hartzell, both of whom meets the independence and financial literacy requirements as defined by applicable NYSE American and SEC rules. The audit committee assists the board in its general oversight of our financial reporting, internal controls, legal compliance, ethics programs and audit functions, and is directly responsible for the appointment, evaluation, retention and compensation of the registered public accounting firm. The board has determined that Mr. Grimes qualifies as an “audit committee financial expert” in accordance with the applicable rules and regulations of the SEC.

The audit committee acts under the terms of a written charter initially adopted in May 2006, a copy of which can be found on our website at www.houstonamerican.com/corporategovernance.html. The audit committee met 5 times during the fiscal year ended December 31, 2018. For more information regarding the audit committee, please refer to the “Report of Audit Committee” beginning on page 13.

Compensation Committee

The compensation committee, which is appointed by the board, is composed of two non-employee independent directors as defined by applicable NYSE American rules. The committee is responsible for establishing and administering the policies that govern both annual compensation and equity ownership. It reviews and approves salaries, bonus and incentive compensation, perquisites, equity compensation, and all other forms of compensation for our executive officers, including our chief executive officer. The compensation committee is also responsible for reviewing and administering our incentive compensation plans, equity incentive programs and other benefit plans. It periodically reviews and makes recommendations to the board with respect to director compensation.

The compensation committee acts under the terms of a written charter adopted in June 2013, a copy of which can be found on our website at www.houstonamerican.com/corporategovernance.html. The compensation committee held 2 meetings during the fiscal year ended December 31, 2018.

Nomination of Directors

The board of directors does not maintain a standing nominating committee. Instead, the board has adopted, by resolution, a process of nominating directors wherein nominees must be selected, or recommended for the board’s selection, by a majority of the independent directors with independence determined in accordance with NYSE American standards. Because of the relatively small size of the board and the current demands on the independent directors, the board determined that the nomination process would best be carried out, while maintaining the independence of the nominating process, by drawing upon the resources of all board members with the requirement that nominees be selected by a majority of the independent directors.

In the event of a vacancy on the board, the process followed by the independent directors in nominating and evaluating director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the board.

In considering whether to recommend any particular candidate for inclusion in the board’s slate of recommended director nominees, the independent directors apply criteria adopted by the board. These criteria include the candidate’s integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. No specific weights are assigned to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Board does not have a formal policy with respect to diversity of nominees. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the board to fulfill its responsibilities.

The board may utilize the services of a search firm to help identify candidates for director who meet the qualifications outlined above.

Stockholders may recommend individuals to the independent directors for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Independent Directors, c/o Corporate Secretary, Houston American Energy Corp, 801 Travis St., Suite 1425, Houston, Texas 77002. Assuming that appropriate biographical and background material has been provided on a timely basis, the stockholder-recommended candidates will be evaluated by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our board or others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy card for the next annual meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the board, by following the procedures set forth under “Deadline for Submission of Stockholder Proposals for the 2020 Annual Meeting” on page 14. Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy card for the next annual meeting.

Communicating with the Independent Directors

Our board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our lead independent director, Mr. Hartzell, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the lead independent director, with the assistance of our counsel, considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Houston American Energy Corp, Board of Directors, c/o Corporate Secretary, 801 Travis St., Suite 1425, Houston, Texas 77002.

Board Leadership Structure and Risk Oversight Role

Stephen Hartzell presently serves as our “Lead Independent Director” and as our Chairman of the Board. We believe that such a leadership structure is appropriate for our company given the small size of our company and our need to control costs and facilitate rapid response to market opportunities.

Our Board provides high level oversight with respect to our risk management activities, consisting principally of interfacing with management with regard to proper risk management policies and implementation of those policies. In general, the Board familiarizes itself with the risk management policies being pursued and the actual transactions carried out in that regard so as to assure that the policy is sound and the transactions undertaken are consistent with the policy. Given our position as a non-operator of our various properties, decisions regarding entry into derivative instruments to manage commodity price risk is typically vested in the property operators and, therefore, the Board believes that our company and management has little discretion with regard to risk management transactions.

Code of Conduct and Ethics

We have adopted a written code of conduct and ethics that applies to all our directors, officers and employees, including our chief executive officer and our chief financial and accounting officer. A current copy of the code can be found on our website at www.houstonamerican.com/corporategovernance.html. In addition, we intend to post on our website or file under cover of Form 8-K all disclosures that are required by law or NYSE American listing standards concerning any amendments to, or waivers from, any provision of the code.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, or “Section 16(a)”, requires that directors, executive officers and persons who own more than ten percent of any registered class of a company’s equity securities, or “reporting persons,” file with the SEC initial reports of beneficial ownership and report changes in beneficial ownership of common stock and other equity securities. Reporting persons holding our stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of copies of these reports, and written representations from such reporting persons, we believe that all filings required to be made by reporting persons of our stock were timely filed for the year ended December 31, 2018 in accordance with Section 16(a).

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Report of Audit Committee

The audit committee is responsible for assessing the information provided by management and our registered public accounting firm in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls, and reports to the audit committee on any deficiencies found. Our registered public accounting firm was responsible for auditing the financial statements and for reviewing the unaudited interim financial statements.

The audit committee reviewed with our registered public accounting firm the overall scope and plan of the audit. In addition, it met with our registered public accounting firm to discuss the results of Marcum LLP's examination, the evaluation of our system of internal controls, the overall quality of our financial reporting and such other matters as are required to be discussed under generally accepted auditing standards. The audit committee has also received from, and discussed with, our registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees).

The audit committee discussed with Marcum LLP that firm's independence from management and our company, including the matters in the written disclosures and the letter required by the Public Company Accounting Oversight Board. The audit committee has also considered the compatibility of audit related and other services with the auditors' independence.

In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2018 with both management and our registered public accounting firm. The audit committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board, and the board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

By the Audit Committee of the Board of Directors:

Keith Grimes, Audit Committee Chair
Stephen Hartzell, Audit Committee Member

Pre-Approval Policies and Procedures

The audit committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our registered public accounting firm. This policy generally provides that we will not engage our registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the audit committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the audit committee may pre-approve specific types of services that are expected to be provided by our registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular services to be provided and is also generally subject to a maximum dollar amount.

The committee's practice is to consider for approval, at its regularly scheduled quarterly meetings, all audit and non-audit services proposed to be provided by our registered public accounting firm. In situations where a matter cannot wait until the next regularly scheduled committee meeting, the chairman of the committee has been delegated authority to consider and, if appropriate, approve audit and non-audit services or, if in the chairman's judgment it is considered appropriate, to call a special meeting of the committee for that purpose.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding". This means that only one copy of our annual report and proxy statement will be sent to stockholders who share the same last name and address. Householding is designed to reduce duplicate mailings and save significant printing and postage costs.

If you receive a household mailing this year and would like to receive additional copies of our annual report and/or proxy statement, please submit your request in writing to: Houston American Energy Corp., 801 Travis St., Suite 1425, Houston, Texas 77002, Attention: Secretary or by calling Houston American Energy at (712) 222-6966. Any stockholder who wants to receive separate copies of the proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder.

Any such notice must contain certain specified information concerning the persons to be nominated or proposed business and the stockholder submitting the nomination or business, all as set forth in our by-laws. The presiding officer of the meeting may refuse to acknowledge any director nomination or business not made in compliance with such advance notice requirements.
